TAKE SALTS TO FLUSH KIDNEYS

Eat Less Meat If You Feel
Backache or Bladder
Troubles You—Salts Is
Fine for Kidneys.

Meat forms ureic acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acidic waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, diarrhea, your stomach sour, tongue is coated and when the weather is bad you have enigmatic twinges. The urine is cloudy, full of sediment, the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's uricous waste get about four ounces of Jad Salts from any pharmacy, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the seed of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive, harmless and makes a delightful effervescent little water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder disease.

SOCIETY NOTES

Sigma Tau Banquet.
The Sigma Tau fraternity held its seventh annual banquet in Taft hall of the Alvarado on Wednesday evening. Not only was the occasion commemorative of Founders' day, but it

was also the last banquet which the fraternity men will hold as members of Sigma Tau, for the date when the local society will be installed as a chapter of the national fraternity Sigma Chi has been set for next month.

Ceremonies for the annual dinner opened with a number of fraternity songs. Stanley Seder accompanying on the piano. It will be seen from the list of members which is appended that a number of prodigal sons had returned home for the big annual event of the fraternity, and true to the traditions of old, the fatted calf had been slain for the occasion in the shape of a dinner which taxed to the utmost the skill of the Alvarado's genial staff.

The following members of Sigma Tau responded to toasts:

Bateman, Brovin, Albright, Balcomb, Keleher, Lane, Bryan, Hunt, and Bruce.

A number of songs were rendered during the evening by the Sigma Tau quartet, of which Seder, Sewell, La-prak, and Vincent are members.

One of the principal toasts of the evening was that by William A. Kelcher, of Sigma Chi, an honorary member of Sigma Tau. Following the final toast, Robert Sewell sang "A Perfect Day," accompanied in the solo by Stanley Seder. The banquet closed with all members rising to the fraternity hymn.

The following are the members of Sigma Tau in the city:

Those present were Misses Shirley von Wachshusen, Margaret Cook Irene Boldt, Myrl Hope, Kathleen Long, Katherine Conway, Rebecca Horner, Louise Bell, Margaret Flory, Villa Krause, Margaret Gleason, Evelyn Trotter, Lillian Spichard, and Evelyn Long.

VERIFY IT.

The Proof Is in Albuquerque, Almost at Your Door.

The public statement of an Albuquerque citizen is in itself strong proof for Albuquerque people, but confirmation strengthens the evidence.

Here is an Albuquerque citizen, who testified years ago that Doan's Kidney Pills relieved weak kidneys and now states the result was permanent. Can any sufferer from kidney ills ask better proof? You can investigate. The case is right at home.

Mr. E. Fornette, 401 South Broadway, Albuquerque, says: "Three boxes of Doan's Kidney Pills cured me of pain in my back that had troubled me for many years. I was also relieved of rheumatic pains." (Statement given January 29, 1907.)

OVER SIX YEARS LATER Mr. Fornette said: "Doan's Kidney Pills have cured me and I have had no occasion to use them since giving my former endorsement."

Price 50¢, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Fornette has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

SAGE TEA KEEPS YOUR HAIR DARK

It's Grandmother's recipe to back color, thickness and lustre—Everybody is using It again.

Sage tea, however handsome, deserves advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance hundred-fold.

Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 36-ounce bottle of "Wyeth's Sage and Sulphur Compound." Thousands of tons recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalpitching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.
